Hard Skill

- C Language
- C++
- Java
- J2EE

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

Education Background

- Govt. Polytechnic College
diploma in I.T
Completed in 2021
- Alpine Institute Of Technology
Doing B.Techh in Computer Science

It will Complete in 2024
- Programming That have Been Learned
C C++ Java

About Me

As a highly motivated and passionate software fresher, I am eager to kickstart my career in the technology industry. With a Diploma in Information Technology, I possess a solid foundation in programming languages, software development methodologies, and problem-solving techniques

Project

- I Make Generic Library
- Another Project I Have Created in C That is Storing Student Data I Have Implements through Hard-Coding.
- I Made Math Data Analysis Tool Using C Programming

- I have created Data-Layer and Business-Layer Through Hard-Coding.
- I Have Created web-server in c++ In which any one can deploy its HTML code

- In java i Have Created 3-Layered Architecture
- I Have Created File Transferring Project Through Implementation Of GUI.
- Created Presentation Layer which we can access both through Data-layer and Data-Base I made it using of GUI
- Create Paint-Application in Java Through GUI

Achievements

In Minor Project Got First Place

In College Cricket Our Team Got first Place
